A NOTED DIVINE SAYS THEY ARE WORTH THEIR one copy, one year. **READ WHAT HE SAYS:**

Dr. Turr:—Dear Sir: For ten years I have been a martyr to Dyspepsia, Constipation and Piles. Last Spring your Pills were recommended to me; I used them (but with little faith). I am now a well man, have good appetite, digestion perfect, regular stools, piles gone, and I have gained forty pounds solid flesh. They are worth their weight in gold.

by the fruitful source of many disease, such as Dyspensia, Sick Headache, Costivenese, Dysentery, Ellious Fever, Ague and Fever, Jaundice, Piles, Rheumatism, Kidney Complaint, Colle, etc.

Tutt's Pills exert a powerful influence on the Laver, and will with certainty relieve that important organ from disease, and restore its normal functions.

CONSTIPATION.

Only with regularity of the bowels can perfect health be enjoyed. When the constipation is of recent date, a single dose of TUTT'S PILLS will suffice, but if it has become habitual, one pill should be taken every night, gradually lessening the frequency of the dose until a regular daily movement in obtained, which will seen follow.

The New Pension Bill.

WASHINGTON, Jan. 26 .- It is thought that the additional labor imposed on the Pension Office by the passage of the arrears of the Pension Bill will necessitate the employment of at least two hundred additional clerks.
